Core Positioning

PIONEER OF ALUMINUM CIRCULAR FURNITURE

Refined Aluminum Craftsmanship • Lasting Circularity

Backed by 50 years of aluminum alloy craftsmanship and innovative smart manufacturing, fafa casa creates aluminum furniture that brings comfort and functional beauty to everyday life.
By putting the circular economy into practice, we keep materials in use across product lifecycles—bringing practicality, environmental responsibility, and joy to the spaces we live in.

Brand Positioning & Core Values

	Refined by Time	Functional Aesthetics	Circular Sustainability
Conceptual	Focusing on the integration of core smart aluminum manufacturing technologies.	Creating comfortable living functionalities.	Practicing the economics of durability.
Practical	**Aluminum Craft** Aluminum composite processing technology. **Artisan Quality** Safety & proportions. **Durable Design** Integration of materials and design.	**Easy Storage** Folding, stacking, and mobility. **Flexible Design** Modularity and diverse styles. **All-Environment Use** In & out.	**Aluminum Recycling** Over 97% recycling rate (Carbon Reduction / ESG). **Circular Economy Model** C2C (Cradle to Cradle) + 3R. **Easy Maintenance** Extending product lifespan.

CUPID

stool

CUPID
Lightweight Aluminum Stool

Bringing people closer, one conversation at a time.
Named after Cupid, the symbol of love and connection, CUPID's lightweight, portable design encourages spontaneous seating and natural interaction. Its sleek silhouette combines the strength and weather resistance of aluminum alloy, making it ideal for both indoor spaces and outdoor gatherings.

CUPID stool

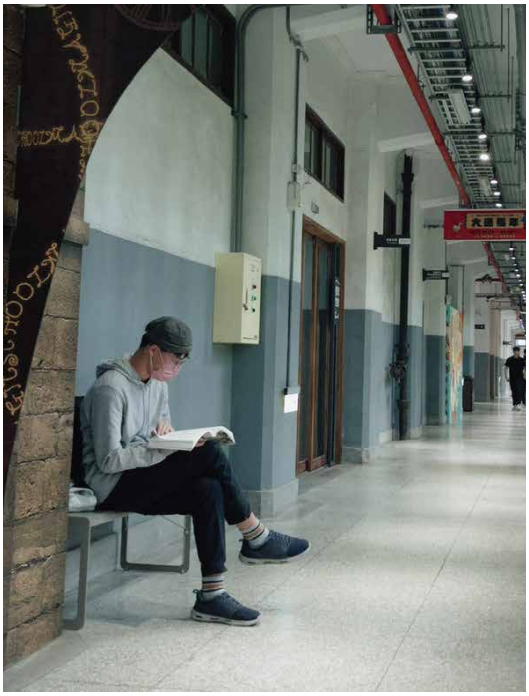

DANN

bench

A comfortable place to pause.

With clean lines and balanced proportions, the DANN bench brings an understated, modern presence to outdoor and public spaces. Its open seat structure allows rainwater to drain quickly, keeping the bench ready for use.

Made entirely of aluminum, DANN offers excellent weather and corrosion resistance for long-term outdoor use. It provides a comfortable place to rest in walkways, gardens, parks, and commercial spaces.

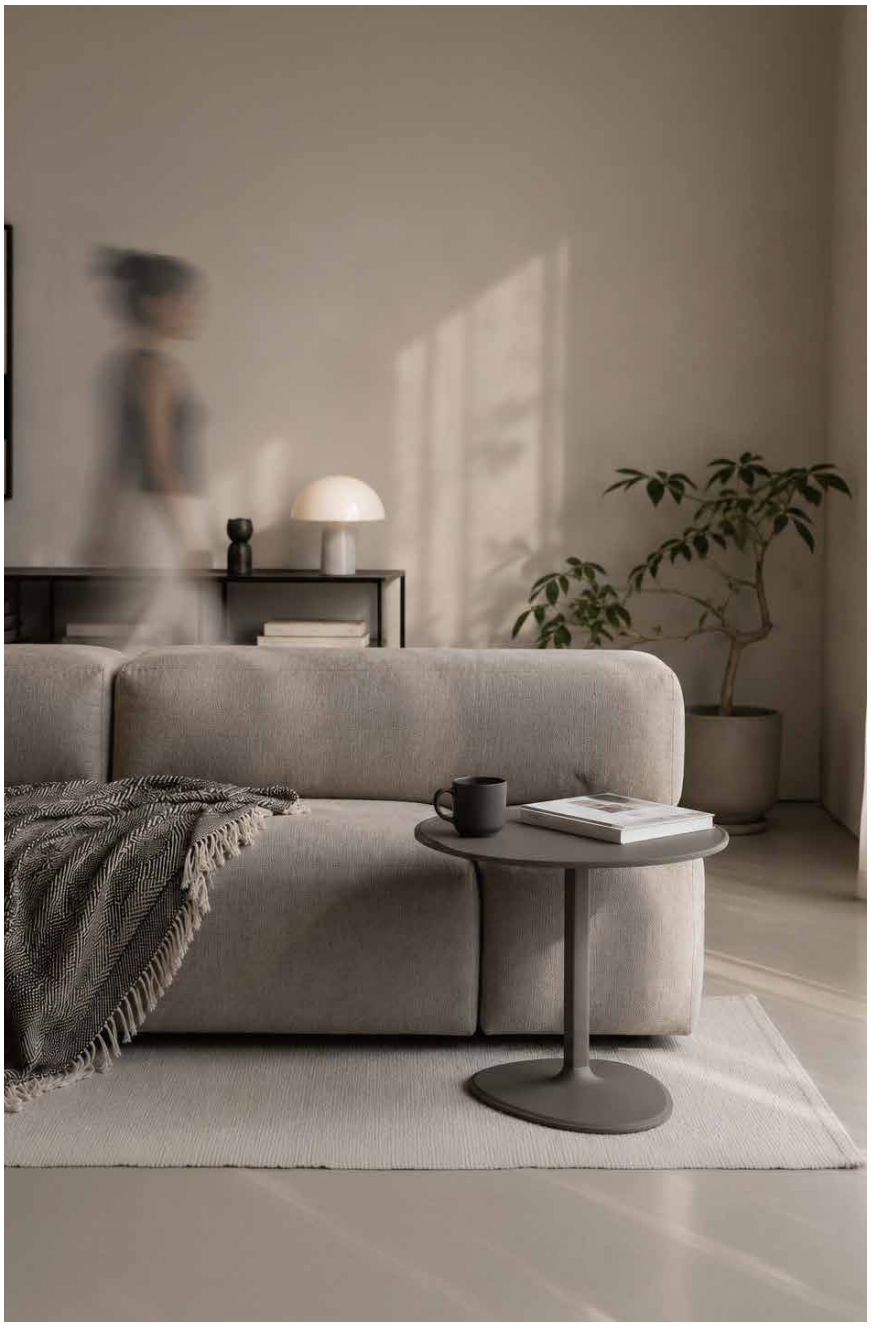

VENUS

side table

A side table for every corner.

Designed with clean proportions and a lightweight structure, this versatile side table fits effortlessly into a variety of spaces. Whether placed beside a chair, used for drinks outdoors, or serving as an occasional table, it offers everyday convenience and flexibility.

Crafted entirely from aluminum, it offers excellent weather and corrosion resistance for both indoor and outdoor use. Its minimalist form and stable construction make it a practical, durable addition to any space.

SIMPLY

bar table / bar chair / side table / stool

Exploring modular aluminum structures, reimagining the possibilities of adaptable spaces.

Built around aluminum structures, this modular furniture system for work and social interaction meets the need for flexible layouts in public spaces and workplaces. A consistent design language unites a versatile range of seating, tables, and bar furniture. Combining durability, lightness, and recyclability, the system offers a lasting, adaptable solution for evolving spaces.

When a space calls for lightweight seating with a light visual presence, the LUNE aluminum bar stool offers a simple, practical solution.

Its lightweight aluminum structure makes it easy to move, store, and rearrange, while its minimalist form keeps spaces feeling open and uncluttered. Ideal for café and restaurant counters, shared spaces, and multipurpose commercial settings.

Cor

clothes rack

Everyday Functionality in a Simple Design.

With its clean lines and minimalist structure, this drying rack provides a stable, practical space for hanging laundry. Ideal for balconies, gardens, and outdoor areas, its open design promotes airflow and natural drying while maintaining a light, uncluttered appearance.

Crafted entirely from aluminum, it offers excellent weather and corrosion resistance for long-term outdoor use. Its refined proportions and functional design make it a durable, reliable addition to everyday living.

TH

Dining Tables & Chairs

Designed for versatile indoor and outdoor dining, from home dining areas and terraces to park seating spaces.

Its lightweight yet durable aluminum construction allows for easy movement and flexible arrangements. A gently curved backrest and clean lines create a refined silhouette, bringing comfort, simplicity, and modern style to any dining space.

dinner chair / W56 X D52 X H76 (cm)

LINEA

Flower stand

W85 X D42 X H112 (cm)

Bringing Greenery into Every Space

Designed for balconies, terraces, gardens, outdoor cafés, and commercial spaces, this aluminum plant stand brings greenery into a variety of settings.

The lower platform holds potted plants and decorative planters, while the tall slatted back creates a natural backdrop or subtle space divider, adding depth and freshness to the surroundings.
Its durable , easy-to-clean aluminum construction makes it ideal for flexible arrangements in outdoor and public spaces.

HYDE

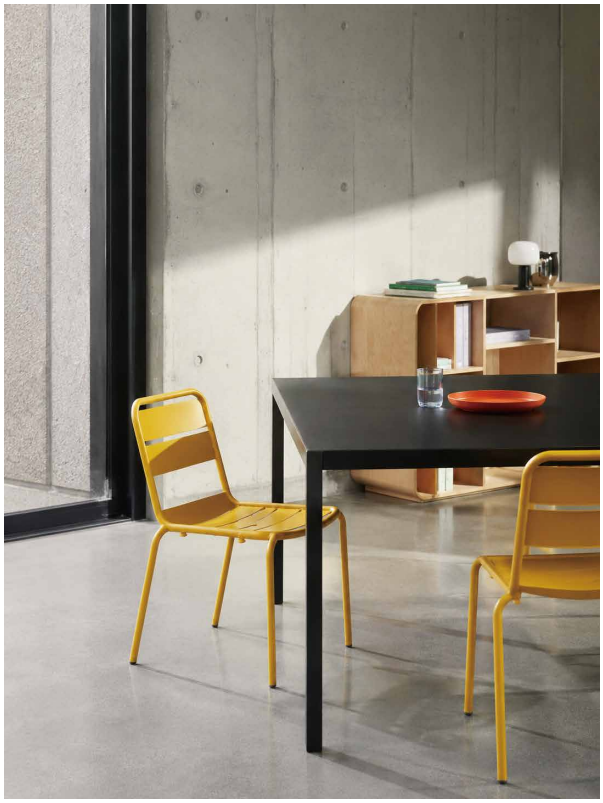

Dining Chairs / Arm Chair

arm chair / W63 x D60 x H81 (cm), seat height: 44 (cm)

arm chair / W57 x D59 x H81 (cm), seat height: 44 (cm)

A personal retreat for reflection and reading, where beautifully crafted curves bring a refined sense of ritual to everyday life.

PTY

Dining Chairs

Designed without armrests, this dining chair features a clean, minimalist silhouette that allows for easy seating and flexible movement, creating a more open and uncluttered space.

Crafted entirely from aluminum, it combines lightweight durability with excellent weather and corrosion resistance. Easy to maintain and built to last, it is ideal for indoor dining areas, outdoor terraces, and commercial spaces, balancing everyday functionality with refined aesthetics.

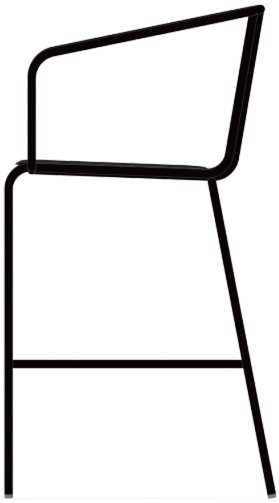

Bar Stools

COLT

Rocking Horse

A Playful Touch of Timeless Charm

Inspired by the classic rocking horse, this decorative piece blends playful charm with modern design, bringing warmth and character to homes, children's rooms, and commercial spaces.

Crafted entirely from aluminum, it offers excellent weather and rust resistance, easy maintenance, and recyclability. Its durable construction preserves its refined appearance and lasting appeal over time.
